Spring is in the air... it’s everywhere you look around...do do do! The BFC is blooming with activity and we couldn’t be more thrilled with all of the new members who are joining and getting involved. Although March typically feels like a long month... this one marched right on by for the BFC! Loads and loads of activities in the playroom and throughout... and what a fun time at the Easter Egg Hunt! Thanks to all the families who hopped out to enjoy this annual event - a lot better than the snow-filled field from last year.

April is showering us with even more memory-making events. We will be kicking the month off with our Paint Party Fundraiser. It was such a blast this fall - we are bringing it back... check out BigTent for more info. And don’t forget - this is a great time to introduce new mamas to the BFC, as we have our annual New Mom’s Brunch at the end of the month! We look forward to frolicking in the green grass with all of you this month.

We also wanted to mention a quick reminder that Dr. Nora Shine’s The Talk has a new date of Tuesday, April 5, at 7:30pm.

Cheers

NEW DATE! April 5, 7:30pm-9:30pm

Location: First Parish, 75 Great Road, Bedford

Space is limited, Please RSVP to - parented@bfctoday.com

Dr. Nora Shine, a Child Psychologist and parent of two young children, has created a two hour workshop in which she shares realistic strategies that parents (and teachers/counselors) can use to promote the safety of their young children, especially in regards to child sexual exploitation. Dr Shine draws upon her knowledge as a Child Psychologist, her experience as a parent, and her training as a facilitator in sexual abuse prevention from two nationally renowned organizations (D2L and StopIt-Now), to teach parents what really works in keeping kids safe from harm. In this workshop, Dr Shine will share research-based information about effective (and realistic) strategies that can be used to protect the children in your communities. After participating in the TALK workshop, parents and professionals will feel relieved to know that they can be a real part of creating safer communities for all children.

Playroom

The BFC Playroom is open weekdays from 9:30–11:30 am. It is located in the lower level of the First Parish Church at 75 Great Road (use the side entrance on Elm Street).

The BFC Playroom offers a warm, welcoming environment where children can play together and parents and caregivers can connect. In addition to various toys, books, and puzzles for children 0–5, the playroom offers all kinds of craft supplies and mini-projects, plus a large open floor space for imaginative play. This is a nut-free space. We ask that all visitors refrain from bringing in any outside snacks due to allergy concerns. An individually packaged child’s snack and beverage are provided at 10:30 am each day. Enjoy this great opportunity for fun and socializing. The rates are $1.00 per child for BFC members, and $3.00 for non-members. These playroom rates will help us better cover our annual donation to First Parish for use of the space and the cost of providing snacks. The BFC Playroom follows the Bedford Public Schools calendar.

BFC Consignment Sale

The BFC is collecting baby and children’s clothes as well as toys, books, and puzzles to consign at the annual LexFUN consignment sale on May 14, 2016. This is a great way to raise money for the BFC as we will earn 50% of items we sell while the other 50% goes to the LexFUN scholarship program. The scholarship program awards scholarships to area families in need to send their young children to preschools in Lexington and Bedford. All you have to do is donate your clothes and items and we will take care of tagging and bringing them to the sale. The LexFUN consignment sale is one of the largest in the area selling children’s clothes from newborn up to size 10 as well as maternity clothes. You can also find large ticket items such as swings, bikes, and scooters as well as every kind of baby and toddler equipment. You might want to consider volunteering at the sale, which will earn you the opportunity to shop the sale before it opens to the public. Checkout www.lexfun.org/programs/consignment-sale for more information.

First Connections Spring Playgroups

Play is a child’s work. Play creates pathways in a child’s developing brain that are critical for receiving information and learning. Our spring programs provide quality play time that can actually alter and enhance the brains of children who participate.

Spring groups will run from April 7 to June 22. Registration is required by emailing lmatthews@jri.org or calling 978-429-8284. Playgroups are free of charge and require a caregiver participant. Sign-up age is based on the first day of class. Families may sign up for one weekly group per child. If you are unable to register for a playgroup due to space limitations, and have a group of friends who are looking for a space to meet on your own, our playroom is available at regular times during the week for use.

Infant Playgroup

This playgroup is for babies not crawling or walking yet. The group includes developmental discussions and handouts, playtime, circle
time with finger plays, rhymes and songs. 3-9 Mos Babies meets Thursdays, 10:30-11:30 at Boxborough Library

**12-24 Month Steady Walkers Playgroup**
This group is for confidently walking toddlers and will include free play with time to work on social skills such as sharing and waiting for a turn, some art and sensory activities, and a circle time with story. Each family will bring home a different bag of books to read each week, and exchange the bag the following week for more books. Tips will be included on using dialogic reading techniques with children including PEER and CROWD methods. Meets Thursdays, 10-11:15, at First Connections in Acton

**Outdoor Explorations Group for Ages 3 1/2 thru 5**
After a long winter we are looking forward to warmer temperatures and exploring nature trails in our area. We’ll learn about what is happening in the ponds, fields and woods around us. We’ll read a different book each week and allow the children to talk about what they may have discovered in their own back yards during the week. The places we will be walking are not stroller-friendly. Babies are welcome if they are worn in a carrier/sling/backpack, but siblings younger than 3 will not be able to keep up. This group will meet or 3 weeks at a time in the following locations: Ripley Playscape in Concord, Grassy Pond in Westford, and Minuteman National Park in Lincoln on Mondays, 2-3:00

Bedford Babysitting Coop

The Bedford Babysitting Coop is open to families living in Bedford. The coop is limited to 30 families, but currently has a few openings. Once 30 families are enrolled, we maintain a wait list. Most families have been introduced to the coop through referrals by other members, so there is a high level of familiarity between the families.

Everything coop related is tracked through a Yahoo group. When a member needs someone to watch their kids they send an email to the mailing list with the details and anyone who can sit will respond and coordinate with the requester directly.

Sits are paid for with “points”. Standard rates are one point per hour for the first kid and 1/2 point per hour for any additional kids. One additional point is paid if the sit is at the requester’s house. Points are earned by sitting for other families. Points can also be earned/spent by bartering other services (cat sitting, dog walking, rides, etc.)

One of the benefits of using the coop for daytime sits is it gives a chance for the kids to play together. It is like a play date as far as the kids are concerned.

We have annual dues of $10 that pays for a party, which is also an opportunity for coop families to get to know each other. We also try to have socials throughout the year. Everyone pays one point a year to pay for the officers.

Please contact Kathy Recca (knittingkathy@yahoo.com) if you are interested in learning more about the coop.

New Cartridges for Kids BEST/PTO Recycling Fundraiser

BEST/PTO has started a new Cartridges for Kids (CFK) fundraising program to benefit the Bedford Public Schools. Your old cell phones, laser and inkjet printer cartridges, MP3 players/iPods, e-readers/notebooks, PDAs, and laptops can be recycled AND earn money for the schools! Collection boxes are available in the lobby of Davis & Lane Schools right next to the marker collection boxes.

As of mid-February, collection boxes will also be at the BFC playroom and at Bedford’s Town Center building.

This program is also a great opportunity for the community to participate in recycling, and support the local public schools to raise funds for enrichment programs, school equipment, and supplies.

If you have questions, please email Michele Waldron at Cfkfundraiserbedford@yahoo.com or Shaena Grossman at shaengro@gmail.com
First Parish Church Parenting Support Group

Mom to Mom
Wednesdays, 9:30-11:30am
St. Michael Church, 90 Concord Rd, Bedford

As a young mother, do you feel:
- Isolated without extended family or friends in the area, in neighborhoods without other moms at home, missing the camaraderie of the workplace?
- Insignificant in a culture that minimizes your role and values as a mother?
- Intimidated by information overload by parenting resources?
If so, consider joining the Mom to Mom (MTM) program at St. Michael’s Church. MTM is a Biblically based parenting program designed around the Titus 2:4 concepts of older women teaching and encouraging younger women in their relationships with their husbands and children. It includes quality parenting instruction and small group discussion between more experienced and younger moms. Both a place of nurture for committed Christian women and a “safe place” to bring community friends, MTM often becomes a bridge into the church. The program was founded by Linda Anderson, a former Lexington resident who has been teaching parenting groups and Bible studies for over two decades and integrated much of her own life and readings into her teaching. Free childcare is provided so while you are being inspired as a parent, your child/children will enjoy playing with toys and other children.

We look forward to you being part of the MTM group. Please contact Niki Curry for questions or to complete a registration at (781) 710-4754 or currymn@comcast.net.

Bedford Box Tops for Education

For many of you in the BFC, your children will soon be at Davis School. Did you know that you might be throwing away packages that could be used to raise money for Davis, and the rest of Bedford Public Schools? Bedford Public Schools participate in the Box Tops for Education program, which has helped America’s schools raise over $525 million since 1996. Every year, our students and supporters collect thousands of Box Tops, which we redeem for 10 cents each. Last year, we raised $8,500 to fund enrichment programs at Davis, Lane, and John Glenn Middle
School. We would like to ask for your help in collecting Box Tops. You can drop them off in the container at the BFC playroom, the collection bin at the Bedford Stop and Shop, or mail them to Box Tops Coordinator, 66 Sweetwater Ave., Bedford, MA 01730.

Wellness Corner

Last month we focused on getting stronger. That extra activity can sometimes lead to muscle injuries and good form and a strong core are very important to minimize such mishaps. The wellness of your tendons is easy to ignore. But those tough bands of connective tissue that link muscles to bones can easily be injured. Hotspots for such strains, sprains, and inflammation include the shoulder, elbow, knee, and ankle — tennis elbow and ruptured Achilles might ring a bell. Gradual wear and tear from overuse and aging or repeatedly performing the same motion during daily activities, work, and exercise can leave you prone for pain.

Here are some tips for keeping your tendons healthy:

- Changing your activities or how you do them. For example, avid runners should include other pursuits like swimming from time to time. When exercising, take lessons from a certified trainer to ensure your technique is up to snuff. Warm up before and stretch after you exercise.
- Your diet may also influence tendon strength: Foods rich in vitamin C — especially berries, citrus fruits, papaya, broccoli, Brussels sprouts, spinach, and tomatoes — assist in producing collagen, which is necessary to keep the tissues hardy.
- Low-fat dairy products, salmon, sardines, broccoli, collard greens, and spinach may help supply the required calcium for healthy tendons.
- Many raw fruits and vegetables are rich in enzymes, which tendons use to remove damaged tissues.

The Bedford Citizen

Free, reliable, online – welcome to The Bedford Citizen!
If you are not already a reader, please go to www.thebedfordcitizen.org ASAP and check us out. Our mission is to provide information about the decisions and activities of our town boards and committees and to report on the rich array of events and programs offered by our various local organizations. Eager to stay informed about what’s happening with the School Committee? Curious about the ongoing construction in The Bedford Marketplace? Looking for a photo of one of your kids from Bedford Day to share with an out-of-town grandparent? We’ve got it all – multiple times a week or as news breaks, and you can also read us through Facebook. You can subscribe for email delivery through our website. Your feedback always welcome – email us or contact me, Ginni Spencer, President, 781-275-2284 or ginni.spencer@verizon.net.

  OR

  OR

- Fill in your contact information below and mail it, along with a check made out to the Bedford Family Connection, to the address above. Upon receipt of your information, a BFC representative will have Big Tent* send you an invitation via email to join the BFC. You will be able to click through the email and enroll. Select “personal check” when prompted for payment.

*BigTent Tips*

BigTent is the private on-line platform used by the BFC to organize and connect Bedford families. Once you are registered with BigTent, please use the MyBigTent link to customize your profile, privacy settings and email settings, etc. Choose how you’ll receive information from BigTent: do you want individual emails or a daily digest? To change your BigTent email settings, log into BigTent, select MyBigTent in the black bar at the top, then select Email Settings in the drop-down list. This is where you can manage all communications from BigTent, such as turning off the Daily Deals email, and customize the BigTent Blink. To ensure you get all event notifications in a timely manner, you can set it for “every day”; otherwise you may miss some reminders. The BigTent Blink is a summary email of anything new posted on the BFC group each day, including reminders and changes to event dates/times/locations. Please note that any last minute changes to events and cancellations will also be posted on the BFC Facebook page.

Our membership year runs September 1 to August 31. Once registered with BigTent, you will begin receiving a copy of the current monthly newsletter and BigTent notifications of BFC events. If you have any questions, email [BFC membership](mailto:membership@BFCToday.com). Also, please “like” us on Facebook! Thank you!

Fill in your contact information below and hand to a BFC representative, or mail to the address above.
