

Award Winning Anna Huckabee Tull
September 21st 2018 1:00pm – 2:30pm
Bedford Council on Aging

Anna Huckabee Tull, a resident of Concord (who, interestingly, spent part of last year walking every street in Concord) is a singer/songwriter who has written a lovely and inspiring book called *Living the Deeper YES*. She has been tailoring programs to different audiences that include engaging storytelling, unique, uplifting award-winning songs, audience engagement, and some feel-good insights from her book, which is very popular and has just reached the Top 3% on Amazon. She has a strong affinity for seniors, and spent a part of her college years traveling the world and studying how different cultures work to make vibrant lives for community elders.

Please join us for Anna's program of music, laughter, and storytelling, with a focus on upliftment, possibility, and coming alive to the world all around and within you. She is scheduled for September 21 from 1-2:30 here in Bedford. We are very excited to have her and would love to include any and all folks from your community as well.

Please call to sign up on 781-275-6825 and for more information.

You can learn more about her award-winning book here: <http://www.annahuckabeetull.com>

And here award-winning music here: <http://www.customcraftedsongs.com>
