

Bedford

Pedestrian + Bicycle Master Plan COMMUNITY MEETING

Wednesday, May 13th • 7:00 PM

Town Hall Auditorium

- ✓ Learn about the Recommendations
 - ✓ See how your walking and biking routes will be improved
 - ✓ See the Draft Master Plan
- Give us comments and additional recommendations

The Town of Bedford is developing a Pedestrian and Bicycle Master Plan to improve the safety, comfort, and convenience of walking and bicycling throughout town. The plan is currently in draft form, providing recommendations for pedestrian and bike facilities throughout Bedford, including detailed concept improvements along six roadways.

Please visit the website starting April 1st to connect to the interactive map and view and comment on draft recommendations:
