

## **Community Nursery School Enrollment Open House October 25**

Community Nursery School (CNS) — a cooperative preschool in Lexington that nurtures children in a play-based environment — is holding an Enrollment Open House on Sunday, October 25, 11:00am-1:00pm, for families interested in enrolling for the 2016-2017 school year.

Come and learn how CNS engages children to be creative, independent, resilient, and ready for elementary school, and fosters a community that enriches the whole family. Parents and children will be able to meet Director Liz O'Neil, tour classrooms and the studio, and explore the two-acre playground and property.

Community Nursery School is located at 2325 Massachusetts Ave in Lexington.
