

## Drop In and Try It with the Bedford Arts and Crafts Society!

You are cordially invited to join the Bedford Arts and Crafts Society in the first of our series of craft-oriented Drop-ins! The fun begins on Wednesday, November 18, at 9:30 A.M. in the COA Computer Room, 12 Mudge Way, Bedford, MA.

Our focus for this inaugural workshop will be **Pretty Bags and Boxes.**

Just in time for the holidays, we will create gift bags and boxes using recycled calendars, greeting cards, magazines, and card stock. Bring your own glue stick, ruler, and scissors—we'll supply the rest.

Even if you prefer just to observe or to do your own craft project instead, please come. Get to know us and share your crafty ideas. Refreshments will be served.
