

BEDFORD GARDEN CLUB

SATURDAY MEETING

PRUNING, PROTECTING & PUNISHING OUR PLANTS

MARCH 12, 2016 @ 10 AM

FIRST CHURCH OF CHRIST CONGREGATIONAL
25 THE GREAT ROAD, BEDFORD

Tom Strangfeld, will look at the way we prune, “protect” and punish our plants. Come laugh and learn the right way and the wrong way to prune.

Tom has been a designer and builder of landscape and gardens since 1976. He has planted trees in the Boston Public Garden and appeared on *This Old House* on PBS. He has lectured at the Arnold Arboretum and Radcliffe, and is a former President of the Massachusetts Nursery and Landscape Association. He has taken top prize five times for his exhibits at the New England Spring Flower Show. You don't want to miss this presentation.

The Bedford Rotary Club members have been invited as special guests – to thank them for all the work they do at the Job Lane Museum!

Everyone is invited to the meeting, and we always welcome new possible members.
