

THANK YOU

FROM PETER GREY, AND THE BEDFORD COMMUNITY TABLE/PANTRY, INC.

How does one thank 397 people for giving up a Thanksgiving day morning, this is a question I asked myself after reviewing the results of this years Turkey Trot. The conclusion I came to is to thank the individuals who were first place in their respective category.

Thanks to Sanders Bertos who was the youngest participant at the age of 5. Thanks to the one and only Ralph Hammond who was the oldest. Thanks to Matt Kennedy who hopefully did not fly in from Novato, California just to participate. Thanks to Greg Barry and his pup first pet finisher. Thanks to the fifteen members of the Rubinstein family for the largest contingent.

A huge thank you to Nancy Tripodi of Bedford Florist and Richard Callahan of Callahan Karate for their sponsorship, also the Bedford Police, Fire, Public Works, School and Athletic Departments who provided safety, first aid a facility and speaker system. Also hats off to the students who staffed the registration desk

Lastly to Richard Hamilton for his support over the years to our organization, if you are not swimming or throwing bags of corn you are organizing the Turkey Trot.

My wife and I wish to extend our sincere thanks and gratitude to those who have volunteered, donated and financially supported the Community Table/Pantry over the last 25 years. We wish all a happy, safe and hopefully peaceful holiday season.
