

# THE BEDFORD CITIZEN

## LETTER TO THE EDITOR

MARCH 5, 2016

We join other Bedford residents in urging your readers to vote for Selectman William Moonan in the Town Election on Saturday, March 12, (8 am – 6 pm). Bill is completing his second three-year term as a Selectman, and we look forward to his next term's endeavors.

Because of his financial officer background, Bill asks lots of thoughtful questions about the Town's operations from a fiscal point of view. We like that he asks questions and that he cares about the Town's fiscal stability. We appreciate that he works to preserve Bedford's small-town character and history by leading the Town's efforts to establish an historical museum. We like that he is promoting a Bedford Cultural District and is working with the Chamber of Commerce's Business Development Committee to augment the local economy. And we like that he successfully advocated televising Selectmen's meetings and now encourages other Town committees to utilize the Town Hall's new cable TV capabilities -- enhancing transparency in Town government.

Please give Bill Moonan one of your two votes for Selectman on Saturday, March 12.
