

BEDFORD WORDPRESS USERS GROUP

7PM, TUESDAY APRIL 5

IN THE BEDFORD TV STUDIO
16 SOUTH ROAD, 2ND FLOOR

We had to reschedule our next meeting because it conflicted with the 2nd day of Town Meeting. Next month we're taking a look inside the Wordpress database. Jano Heikman will present an introduction to the Wordpress database, where our pages, posts, media and other content is stored.

The topic should be relevant to all Wordpress users, if you are on Wordpress.com or a self-hosted site. Everyone is welcome!
