### THE BEDFORD TV 2ND ANNUAL VOLUNTEER APPRECIATION AWARDS

Thank you for joining us at the 2nd annual Bedford TV Awards! Bedford TV is truly a community television station. We are what we are because of the talent and dedication from our volunteers, and tonight is all about them and the amazing work they've done over the last year. From the people you see every day on the air, to the people behind the scenes who make it all happen, tonight is all about celebrating and appreciating all they do to make our station great.

### THE JOE SERRA MOST VALUABLE CREW MEMBER AWARD:

Joe Serra was a 56-year resident of Bedford and a valued member of Bedford TV. He served both as Clerk of the Board of Directors and as an irreplaceable tech support guru who could create inventive, and successful, MacGyver-like repairs for nearly any piece of Bedford TV's equipment. Joe was an invaluable member of the Bedford TV community. He used his knowledge as an engineer to repair equipment that we thought to be past the point of being salvaged. Joe's humor and positivity was cherished by both our staff and volunteers, and we could always count on him to have the whole room smiling along with him

before he left. We are proud to dedicate the first award in his memory - The Joe Serra Most Valuable Crew Member.
