

ELECTION ~ 2019  
LETTER TO THE EDITOR

**Chris Gittins**

*By Andy Kormack*

I'm writing to express my full support for Chris Gittins's candidacy for Selectmen.

I've had the pleasure of knowing Chris for close to ten years. Our children are close, and we are close to Chris's family.

In having the opportunity to spend time with Chris for almost a decade, it is clear that we share the same values, including a commitment to support Bedford's schools and other public institutions that are valued by Bedford's community. I know that one current issue that Chris has discussed is the need to support Springs Brook Park in a responsible way that strengthens the park as a fun place for all Bedford families.

One topic that Chris has discussed that has caught my attention is his clear sense of how to improve Bedford's use of clean energy in a logical, sensible, and beneficial manner. This is just one of many issues that Chris has expressed his desire to work on for everyone in the town.

I know that Chris will be an exceptional Selectman, and I will be voting for him on March 9th, and I hope you will join me in bringing Chris's character, intelligence, organizational abilities, and caring for Bedford's families to our town's government.

Vote Chris Gittins!
