

ELECTION ~ 2019
LETTER TO THE EDITOR

Chris Gittins

By Becky Titlow

I wanted to write to offer my enthusiastic support for Chris Gittins as candidate for Bedford Town Selectman. Chris's intelligence, measured and thoughtful style, strong commitment to his family, and long history with our wonderful town all speak to his passion and ability to succeed in this critical role.

My family has known the Chandler Gittins family since our children were little, and in this time, I have had the chance to observe Chris's extensive knowledge and deep passion for issues that matter greatly to my own family.

As Town Selectman, Chris would bring a solid commitment to transparency in government and support for the public institutions that are extremely important to young families. Chris also truly believes in clean energy, and lives by this in his own life. Chris does not shy away from tough issues and welcomes serious conversations and action on the many issues that arise around family, community and politics.

I would encourage you to strongly consider him as your candidate for Town Selectman.

Please take the time to learn more about him at his website here:

<http://www.chrisgittins.org/>.

Thank you so much
