

ELECTION ~ 2019
LETTER TO THE EDITOR

Elizabeth Hacala

By Bob Batt and Doris Smith

We are writing to endorse Elizabeth Hacala for reelection to the Bedford Board of Library Trustees.

Bob served as a Trustee with Elizabeth during her first term. She was always conscientious, professional, and friendly. Her experience of working with the Massachusetts Library Association is a valuable asset to the Board. She is generous in her support of other Board members and in sharing her knowledge of state library regulations and procedures. Elizabeth cares about libraries and recognizes the importance of the Bedford Free Public Library in our community. As a lifelong citizen of Bedford, she has been engaged in town activities and events helping promote the town in many ways.

Bob is proud to have served with her during his tenure on the Board and strongly recommends voting for Elizabeth for another term on the Board.
