

Lalitha Gunturi Ranganath

Lalitha joined the Board in the fall of 2018. Since joining, she has focused her efforts on reaching a wider audience, especially the young families in town. She has worked on improving the Citizen’s social media presence, including revitalizing the Citizen’s Instagram page. She is also passionate about organizing more “Community Conversations” on important topics such as racial relations and diversity.

A Bedford resident since 2013, Ms. Ranganath moved to town with her husband, Anil and two young boys, Nikhil (8) and Nishanth (5) because of Bedford’s schools, close-knit community, and nearness to Boston. All three reasons proved to be more than true as they have embraced Bedford as home.

Lalitha earned her B.S. in electrical engineering from the University of Texas at Austin in 2002 and graduated from Boston University School of Law in 2005. Her legal career began at leading global law firm, Goodwin Procter LLP, and has continued as corporate counsel at various high technology companies in the Greater Boston area. Lalitha recently joined the legal department of industry-leading security company, RSA Security, right here in town – making for the best commute of her career so far!

She has been an active member of the South Asian Bar Association of Boston and is a champion and past president of the South Asian Bar Association of North America Foundation. She also served on the Diversity and Inclusion Committee of the Association of Corporate Counsel Northeast Chapter.

Here in Bedford, she serves on the Grants Committee of the Bedford Education Foundation and is an active member of the Bedford Family Connection Book Club.
