Teri joined the Board of Directors of *The Bedford Citizen* because she believes that a press that provides accurate and nuanced reporting is critical to a well-informed and active citizenry. “Bedford is fortunate to have a strong local government led by citizens who care not only about themselves but about their neighbors too. It is important that Bedford residents are aware of the issues the Town faces and how the community responds. This makes *The Citizen* the ‘go to’ source for news, information, and current events.”

Teri is a 1984 graduate of Regis College where she earned a BA in Political Science and a certificate in American Studies. She lived in Arlington for many years and was active in the Town’s Vision 2020 program and was an elected member of Town Meeting. She has been a Bedford resident since she and her husband moved to Bedford in 1996. They are raising twin girls.

Active in local government for many years, Teri served on the Capital Expenditures Committee from 1998-2003 and was Chair from 2001-2003. Teri was a member of the Finance Committee from 2003-2011 and was Vice Chair from 2007-2011. Over the years, she was a liaison to various Town Departments as well as the Fiscal Planning and Coordinating Committee.

Teri is the Director of Membership and Community Giving for the Appalachian Mountain Club. Prior to that she was the Senior Director, Media Services at Epsilon.
