

# THE BEDFORD CITIZEN

## A Brief Remembrance

July, 2022

Virginia Wiley Packer was a founding board member of *The Bedford Citizen*, giving generously of her time and talents for nearly ten years.

Those of us who worked with Ginny miss her every day. Her skills and sense of humor informed and boosted us and were hugely significant in getting us to where we are today.

We extend our sympathy once again to the Packer family and are grateful for the opportunity to gather in remembrance on July 30.

Both Ginny and David supported *The Citizen* financially, and the Packer family kindly suggested donations in lieu of flowers to honor them. Many readers responded to the family's suggestion.

Numerous people accompanied their gifts with kind words about the Ginny and David's contributions to the wider Bedford community and *The Bedford Citizen*.

We are most grateful and have shared the remembrances with the Packer family.
